REMARKS

Claims 1-49 are canceled. Claims 50-86 were previously presented. Accordingly, claims 50-86 are pending examination.

Double patenting rejection

Claims 50-86 were previously rejected for nonstatutory obviousness-type double patenting as being unpatentable over claims 1-15 and 36-49 of U.S. Patent Number 6,586,912. In response, the Applicant submitted a terminal disclaimer. The terminal disclaimer was disapproved because the attorney who signed the disclaimer is not of record.

A Revocation of Powers of Attorney; and Power of Attorney by Assignee; and Change of Mailing Address and statement under 37CFR 3.73(b) are filed along with this amendment. Additionally, the Applicant attaches a new terminal disclaimer signed after or on the date of execution for the above documents. As a result, the terminal disclaimer is now executed by an attorney of record.
